DETAILED SURVEY RESPONSES

Corre Sub Text: Healthcare Innovation Platform

Current OPD Management: Fully manual (registers, verbal calling)

Problem Severity: Very serious – affects daily operations

Most Valued Features: Live patient queue & token system • Faster reception & check-in • Billing & payment tracking

Key Problems Faced: Long patient waiting times • Crowd / queue mismanagement • Reception staff overload

FORMAL DECLARATION

Dr. Rajesh Sharma, representing Apollo Health Center, hereby express genuine interest in adopting Qlinic for our clinic operations. This Letter of Intent confirms our commitment to evaluate and implement Qlinic, contingent upon the platform demonstrating clear improvements in OPD efficiency.
